Remarks:

This magnificent property in Pinecrest, sitting on a generous 40,946-sq ft lot, is under construction with a slated completion of Spring '24. Influenced by the Mayan-inspired Nizuc Resort & Spa in Cancun, Mexico, and the minimalist Amangiri resort in Utah, as well as the Japanese design philosophy of wabi-sabi, the home includes a renovated and expanded 9,000-sq ft main house along with a separate 2,000-sq ft structure with living and dining room space, and a 20-person movie theater, with a Balinese-style pool between the two. At a total sq ft of 11,400, the property will include 10 bedrooms, 10 bathrooms, powder room, a lavish master suite with his-and-hers bathrooms, sauna, a chef's kitchen, a central rotunda, and highly landscaped grounds. Permit approved! Easy to show!
